MSDIS General News

MSDIS enjoyed another relatively quiet month during June. When not loading and mosaicking new data, we took the opportunity to take stock of the MSDIS website, make some QOL updates, and catalog candidates for future changes.

MSDIS has been asked to assist the Truman School of Public Affairs with ArcGIS Pro training for the completion of an externally funded grant related to Pre-K facilities in Missouri. While the details of the arrangement are still in the early stages, we are very excited to work with another unit of Mizzou's flagship campus.

MSDIS Downtime

No outages were reported during June 2019.
