MSDIS General News

In cooperation with our colleagues at the Missouri Census Data Center, MSDIS has launched a Zip Code Tabulation Area lookup tool. The application features the 2018 ZCTAs from the US Census Bureau TIGER/Line data.

MSDIS is very pleased to welcome Ms. Debbie Cutler to the Department of Geography. Debbie will be taking over for Dina Nichols as the Department's Administrative Assistant and has already taken it upon herself to type up a very nice article about MSDIS that will be featured in the next Department newsletter and can already be found on the Department's Facebook page. Likewise, we'd like to thank Dina for her many years of dedication to the Department and we wish her absolutely nothing but the best.
