MSDIS General News

Working with our good friends at the Mizzou Division of IT, MSDIS has successfully logged on to the new virtual server that is intended to replace our existing Imagery Server. There is still a lot of work to do to get it ready before we even install ArcGIS Server, but this is an important first step in the process.

Unrelated to the above, we are happy to announce that MSDIS is joined by two undergraduate interns this semester – Sam Mount and Jake Benson. We are very excited to welcome these two aspiring GIS professionals to Team MSDIS and look forward to seeing what kinds of cool interactive applications they build in the coming months.

MSDIS Downtime

No outages were reported during January 2022.
