

Missouri House Districts

St Louis

As of 2022

These are the newly enacted House Districts agreed upon by the House Independent Bipartisan Citizens Commission (HIBCC) 2021-2022.

This dataset was developed by the Missouri Redistricting Office. These newly enacted Senate Districts replace the districts from 2012, and will stay the same until the 2031 redistricting cycle, so long as litigation does not turnover district lines.
